## **A General Description of Motor Yacht BEYOND THE SEA**

This motor yacht BEYOND THE SEA is a 38,5 m 128 (ft) well-proportioned composite boat, which was produced by Mondomarine, and Aldo Cichero devised her design plans. Accommodating 10/12 passengers and 6 professional crew.

## **The Building & Yacht Design relating to Luxury Yacht BEYOND THE SEA**

After formal launch in 1995 in Gallo D'alba, Mondomarine Shipyard, the boat was thereafter released to the yacht owner after sea trials. Her hull was crafted from Glass Reinforced Polyester. The motor yacht superstructure component is made also from composite. With a beam of 7.32 metres, BEYOND THE SEA have enormous internal space. The interior fine works in Root Woods glass varnished are unique and gives an peaceful atmosphere throughout. A fairly shallow draught of 2.50m (8 ft) does not affects the amount of certain ports she can enter into. She had refit improvement and modification carried out in 2007 and restyling interior in 2012.

## **M/Y BEYOND THE SEA Main Engines & Speed:**

Fitted with twin MTU 12 V 396 TE94 Diesels main engines, with total power of 4800 HP, (3463 KW). BEYOND THE SEA is able to attain a maximum speed of 28 knots. She is driven by twin screw propellers. She also has an efficient range of 500 nautical miles when motoring at her cruising speed of 16 knots.

## **Accommodation Aboard BEYOND THE SEA:**

The well proportioned luxury yacht M/Y BEYOND THE SEA is able to accommodate up to 12 passengers in One Master Cabin full beam with enclosed bathroom also full beam with Jacuzzi, 2 VIP Cabins and 2 Cabins with 2 separate beds and Pullman each. The Cabins has plenty of space for accommodation and entertainments and enclosed bathrooms with separate showers and heads.

## **Flybridge & Chill-out on BEYOND THE SEA:**

One of the most important works carried out, has been to built a completely new atmosphere of relax, fitting a new Chill-out area in the cockpit and complete restyling on the Fly Bridge. There is also a Bar and wet BBQ with a table which can accommodate up to 12/14 people with nicely space.

## **2007 Major Refit in Mondomarine Shipyard**

Beyond the Sea had a Major refit in Mondomarine Shipyard which consisted in the renewal of all water piping around the boat to Marine Inox, New Generators Kohler 30 KW each, Complete painting with Awlgrip Matterhorn White, complete change of all systems of fire extinguishing, safety and alarm control.

## **2012 & 2013 Restyling renewal and New Vinyl Paint hull and flyingbridge**

Also in 2011/2012 has been carried out several update works and decorations as, Complete revision of MTU engines, exhausts, new Racor filters and complete survey and update of the engine room, pumps, water pressure systems and new air compressor.

Complete redecoration and styling for interior and Flying bridge with new, sofas, carpets, overhead panels, LED lights, curtains, exterior and interior new furniture, entertainments with new TV LED all around, complete polish and treatment for the hole exterior, new electronic Package with last model Radar/Plotter, new Computer, AIS, Distress VHF x 2, new Jet Sky, complete refit of the Dinghy and all on board ménage for 18 pax, galley equipment, bed dressing etc.

The New Paint Job by The Wild Group UK, is one of the very first Yachts with Vinyl Wrap, a fantastic solution which has modernized the aesthetics and brought a breeze of new ambience also on the Flyingbridge.
