Daily

**IBIZA FIVE STAR** is the most elegant and streamlined catamaran sailing through the seas in Ibiza. It can accommodate up to 150 passengers and it is well known for its amazing black sails and its grey anthracite hull. The catamaran was designed and manufactured in France in 2012 and designed especially for events in Ibiza. In fact, numerous luxury weddings have been held in it and it was renovated in 2015, to continue offering luxury services onboard.

Its main deck space is equipped with a bar, DJ booth and luxury chillout beds. It has an adaptable zone that in a matter of minutes can turn into a restaurant or a dance floor, depending on the needs.

Kitchen and toilets are located inside the hull. The customer service includes tenders (with possibility of transfer to land at any time), water motorbikes and Flyboard. Moreover, our catamaran is equipped with the latest technological music advances to ensure the success at any event, in addition to the highly qualified crew attending all our guests's needs.

We pride ourselves on the personalized attention to all our clients and high levels of safety and cleanliness, complying with the most exigent quality standards and all regulations requirements.
